### **ORDER**

Public Act 295 of 2008, MCL 460.1001 *et seq.* (Act 295)<sup>1</sup>, requires all providers of electric service in this state to make certain renewable energy filings with the Commission. Section 21 of Act 295, MCL 460.1021, requires all electric providers whose rates are regulated by the Commission (that is, investor owned utilities (IOUs) and rate-regulated cooperatives (RRCs)) to file a proposed REP, which is subject to approval by the Commission in a contested case hearing. MCL 460.1021(8) provides that every two years after initial approval of the REP the Commission shall review the REP in a contested case hearing.

<sup>1</sup> Effective April 20, 2017, Act 295 is amended by 2016 PA 342 (Act 342).

MCL 460.1025 requires all municipally-owned electric utilities (MOEUs) to file a proposed renewable energy plan (REP) which is reviewed by the Commission after an opportunity for public comment. MCL 460.1025(4) provides that every two years after the initial REP is approved, the Commission shall review the REP after an opportunity for public comment.

MCL 460.1023 requires all alternative electric suppliers (AESs) and member-regulated cooperatives (MRCs) to file a proposed REP, which is reviewed by the Commission after an opportunity for public comment. MCL 460.1023(4) provides that every two years after the initial REP is approved, the Commission shall review the REP after an opportunity for public comment.

Section 22, which was added by Act 342, MCL 460.1022, directs the Commission to review each electric provider's plan within one year after the effective date of the 2016 amendatory act. This order terminates the requirement for biennial review under MCL 460.1021, MCL 460.1023, and MCL 460.1025 and establishes new REP filing dates pursuant to Section 22 of Act 342 (Section 22 REPs), for each IOU, RRC,<sup>2</sup> MRC, MOEU and AES.

The Commission continues to find that AESs that are not serving customers shall file an initial REP so indicating. Accordingly, for the Section 22 REP filing, AESs without customers or sales may file a letter stating that the company is not serving customers in Michigan (and thus has no renewable energy credit (REC) requirement) and a statement of how the company intends to meet the Act 295 renewable energy requirement in the event that it begins selling energy to customers in Michigan.

MCL 460.1049(1) requires the Commission to conduct an annual renewable energy cost reconciliation for all rate-regulated electric providers. This order establishes docket numbers and filing dates for these cases. MCL 460.1051(1) requires all electric providers to file renewable

<sup>2</sup> Currently, there are no RRCs.

energy annual reports by a date determined by the Commission. MRCs, MOEUs, and AESs are not subject to an REP reconciliation requirement.

Attachment A provides filing dates and case numbers for the Section 22 REPs and 2016 renewable energy cost reconciliation cases. Filing dates for renewable energy credit compliance submissions within the Michigan Renewable Energy Certification System and annual reports are also established for each electric provider. Filing requirements for the Section 22 REPs will be issued in a future order.

THEREFORE, IT IS ORDERED that each of the above-captioned electric providers shall file its renewable energy plan and (where applicable) reconciliation application in the assigned docket number by the dates listed on Attachment A.

The Commission reserves jurisdiction and may issue further orders as necessary

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, under MCL 462.26. To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at [mpscdockets@michigan.gov](mailto:mpscdockets@michigan.gov) and to the Michigan Department of the Attorney General - Public Service Division at [pungp1@michigan.gov](mailto:pungp1@michigan.gov). In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
